## Technical Drawings

## Notes & Details

This quarter-size convection oven offers a 0.8 Cu Ft (21L) cooking capacity, perfect for small batches of baked goods, snacks, pizzas, and sandwiches. With adjustable temperature and a 120-minute timer, it delivers precise results. The cool-touch door and stainless steel construction ensure safety and durability, making it a great choice for coffee shops, snack bars, and restaurants looking to maximize cooking space while increasing efficiency.
