Notes & Details

This 10.6QT electric deep fryer is perfect for both home and commercial use, featuring a large 10L tank with a 6L oil capacity. Equipped with an 1800W U-shaped heating element, it ensures fast, even frying for a variety of foods like fries, chicken, fish, and doughnuts. The adjustable temperature control (122°F-392°F) lets you set the perfect frying temperature, while the durable 304 stainless steel construction ensures long-lasting use. It also includes safety features like cold-touch handles, a lid to prevent splatter, and non-slip feet for stability. The removable tank makes cleaning a breeze, making it ideal for restaurants, food trucks, or home parties.
