Notes & Details

The 12.5QT electric deep fryer is perfect for both home and commercial use, featuring an 1800W U-shaped heating element for fast, even frying. With a large 11.8L tank and a recommended oil capacity of 8L, it can handle a variety of foods like fries, chicken wings, fish, and more. The adjustable temperature range (122°F - 392°F) ensures optimal frying results, while the durable 304 stainless steel construction, cold-touch handle, and lid provide safety and convenience. The fryer also features non-slip feet for stability, a removable tank for easy cleaning, and is ideal for use in restaurants, food trucks, or home parties.
