EASYROSE Commercial Deep Fryer Basket with Non-slip Handle(26A-A)

Technical Data

Length	13.2"
Width	6.5"
Height	5.9"
Net Weight	10.5 LB
Gross Weight	12.3 LB
Material	Stainless Steel
Handle length	10.4"
Maximum Capacity	8.3L

Features

- **Durable Material:** Made of food grade nickel plated, firm, anti-rust and long service life. The non-slip plastic cold-touch handle of the french fry basket reduces heat transfer and prevents burns, making the operation safer. It can be better protected when in use.
- **Large Capacity:** 4 Pack 13 1/4" x 6 1/2" x 6" can hold large capacity food, such as french fryer, chicken; 2 in red color and 2 in blue color helps you to divide raw food or cooked food or different kind of food.
- **Buckle Design:** The handle of the deep fryer baskets is designed with a buckle, and it cannot be disassembled after it is installed. The whole is stronger and the load-bearing capacity is stronger. There is a hole at the bottom of the handle to hang it for storage when not in use. The frying basket can be stacked for storage, which saves more space.
- **Convenient Drainage:** Hanging front hook, hang the deep frying basket on the fryer rod after frying, you can easily drain excess oil and keep the food crispy. It can also be used as a strainer basket for washing fruits and vegetables and draining them easily.
- **Wide Application:** This fryer baskets is perfect for DIY french fries, chicken nuggets, onion rings, fried fish or any other fried foods. Large capacity meets your need to make a lot of fried food quickly, suitable for restaurants, fast food restaurants, snack bars or home cooking. It's the perfect way to make fried foods.

Notes & Details

Made from food-grade nickel-plated material, the baskets are rust-resistant and built for long-lasting use. The non-slip, heat-resistant handles ensure safer handling by reducing heat transfer. With a buckle design, the handles are securely fixed for enhanced strength and load-bearing capacity, and can be hung for storage. These baskets are ideal for frying French fries, chicken, onion rings, and more, making them perfect for home kitchens, restaurants, or snack bars. Plus, the convenient drainage hook allows excess oil to drain easily, keeping food crispy.
